ASSESSMENT NOTICES SENT TO PROPERTY OWNERS IN CRANBROOK

Property Values Increasing for 2015

CRANBROOK – Owners of more than 14,000 properties in the City of Cranbrook and the surrounding area can expect to receive their 2015 assessment notices in the next few days.

"Most homes in Cranbrook are worth more in value compared to last year's Assessment Roll," said Rod Ravenstein, Kootenay Region Deputy Assessor. "Most home owners in the City of Cranbrook will see modest increases depending on their location. For example, a typical single family home in Cranbrook that was previously assessed at \$252,000 was valued at \$257,000 in the summer of 2014."

Overall, the Cranbrook Assessment Roll increased from \$2.66 billion last year to \$2.71 billion this year. This value reflects a change due to market movement as well as \$30.1 million in growth due to subdivisions, rezoning and new construction.

The examples below demonstrate local market trends for residential properties by geographic area.

City of Cranbrook & Area	2014 Assessment Roll (valuation date of July 1, 2013)	2015 Completed Assessment Roll (valuation date of July 1, 2014)
City of Cranbrook	\$ 252,000	\$ 257,000
Victoria Meadows/Panorama	\$ 261,000	\$ 264,000
Park Royal	\$ 352,000	\$ 369,000
Anderson/Sylvan/Summit	\$ 278,000	\$ 286,000
Gyro Park	\$ 223,000	\$ 227,000
Joseph Creek/Brookview	\$ 230,000	\$ 233,000
Southview	\$ 326,000	\$ 334,000
Cranbrook Rural Fire Protection	\$ 290,000	\$ 296,000

In addition, owners of commercial and industrial properties in Cranbrook will typically see changes ranging from +/- 5%.

"Property owners who feel that their property assessment does not reflect market value as of July 1, 2014, or see incorrect information on their notice, should contact BC Assessment as indicated on their notice as soon as possible in January," said Ravenstein.

"If a property owner is still concerned about their assessment after speaking to one of our appraisers, they may submit a Notice of Complaint (Appeal) by February 2, for an independent review by a Property Assessment Review Panel," added Ravenstein.

The Property Assessment Review Panels, independent of BC Assessment, are appointed annually by the Ministry of Community, Sport and Cultural Development, and typically meet between February 1 and March 15 to hear formal complaints.

The East Kootenay assessment office is located at Suite 200, 117 Cranbrook St North in Cranbrook. During the month of January, office hours are 8:30 a.m. to 5:00 p.m., Monday to Friday. Facts on B.C. Property Assessments and the 2015 Assessment Roll

- Total number of properties on the 2015 roll is 1,974,120, an approximate 0.98% increase from 2014.
- Total value of real estate on the 2015 roll is \$1,206,152,088,777 (\$1.2 trillion), a 5.84% increase from 2014.
- Total amount of 'non-market change', including new construction and development: approximately \$18.69 billion, an increase of 6.54% from the 2014 roll of \$17.54 billion.
- In B.C., approx. 87.74% of all properties are classified with some residential (Class 1) component. This equates to over \$912 billion (\$912,653,565,545) of the value on the total provincial roll.
- Over 98% (99.1% for 2014) of property owners typically accept their property assessment without proceeding to a formal, independent review of their assessment.
- Assessments are the estimate of a property's market value as of July 1, 2014 and physical condition as of October 31, 2014. This common valuation date ensures there is an equitable property assessment base for property taxation.
- Changes in property assessments reflect movement in the local real estate market and can vary
 greatly from property to property. When estimating a property's market value, BC Assessment's
 professional appraisers analyze current sales in the area, as well as considering other characteristics
 such as size, age, quality, condition, view and location.
- Real estate sales determine a property's value which is reported annually by BC Assessment. Local
 governments and other taxing authorities are responsible for property taxation and, after determining
 their own budget needs this spring, will calculate property tax rates based on the assessment roll for
 their jurisdiction.
- BC Assessment's assessment roll provides the foundation for local and provincial taxing authorities to raise more than \$6.8 billion in property taxes each year. This revenue funds the many community services provided by local governments around the province, including the public school system.
- BC Assessment's website provides a listing of property assessments and sales to help property
 owners understand their property's market value and provide comparable sales information. Go to
 www.bcassessment.ca and click on the e-valueBC link. For 2015, a new version of e-valueBC
 provides improved navigation, an interactive map and inclusion of property street-front imagery.
- New for 2015, BC Assessment has updated its Customer Service Standards which include commitments to be open & transparent, fair & accurate, timely & accessible, knowledgeable & respectful, and innovative & collaborative.
